

CHESTER AND DISTRICT RADIO SOCIETY

(Formerly The Chester And District Amateur Radio Society Founded 1948.)

The duplicator having been repaired and the typewriter having been made to work (just) it is with much pleasure that the Committee resume the publication of the Newsletter. It is hoped to issue on a bi-monthly basis.

ANNUAL DINNER 1959.

For a variety of reasons it was decided to hold the Dinner at the end of the year and not at the beginning as hitherto and the 27th of November was the date fixed. This has regrettably had to be postponed at the last minute as it was discovered that several members had other commitments on that day. The Dinner will now be held towards the end of January. The Committee tender their apologies to those members who may have been inconvenienced by this postponement. Further details will be given in due course.

RADIO AMATEURS EMERGENCY NETWORK.

The RSGB. Town Representative for Chester, Mr. C. Rich is examining the possibility of creating a local group. There is scope in this scheme for all members. The T.R. will give details in due course.
